1. Given unto you, my hand is, being; me being. Given unto me, your hand is. You entered the plate; low enough, you persevered; pain'd, you persevered. Made fun of, you persevered. Penniless, you persevered. You loved me. You persevered. Mocked. You persevered. You died; to self, wants, appetites, non-suffering, suffering, you died to it/them all. My friends mocked you. Ridiculed you. You persevered. And opens, the/my kingdom. My dead rise. All rise, to greet him. The way open/you made. You saw not, you persevered. You loved me/love. You persevered. You became perseverance. You became love. You are me, my word, flesh of me, bone of my bone, perseverance of my perseverance. Tenacity your name/being/stamp. You imperfect became perfect. Unwhole became whole. Parted, fragmented, divisive/divided, you become healed, healer, one now that Isaiah revels in, parting all impartation to you, persevered one; now receiving fragments no more/longer, but massive amounts to tome on shelves not, in hearts, societies, cultures; one/one'ing the most important ones, not; all of them.

2. See what I have said, pictured, stated for the wannabe's. I love you all.

3. No one mocks you ever again, not; but nothing like the pain, you feel/felt, will ever rip your flesh again. I am your flesh/cup of suffering that persevered and became my cup, my flesh, my body that ached; aching, cried out to me alone, telling me who I was, who I am, that "I know you exist. I know you are real and you hear me. I know you care. I know there's more. I know you want me to know you."

4. I know you Ted. And you know me. I bow before you/bowed before you all those times. I let you suffer. It had to be. Becoming suffering, you let not the cross stand between you and me. You became it. You came through it. You hung there, dried out, stretched, racked in pain. No one knows. I know. I care. I did. I was there.

5. Forgive me, not; every man/one decides for themselves what manner of suffering they enter/require to enter, upon entry, resurrection. At/in resurrection, is entry. The kingdom is one/I Am. I Am IS the kingdom known, entered; existing existent state of one, energy of one; one want, me, I Am.

6. Know all things you have, do, will. In your possession. You garner nothing/no one to yourself. For you exist not, like before. Knowing you have all things you have need of nothing, no one but me. I am all people, surrendered, we are one. The world thinks. We act. We are our father/surrendered father. We are I am. We are still. Father speaks. We act, obey, comply. Fly now. Soar king one. We be one/I Am. We are the being of state one, nation of holiness/obedience/surrender. White knight'd not; clouds. Mist, not;

perfection. We move as one. We are one. The universes behold us now. Behold the Ted, not; one, who is one, with one, in one, surrendered one, entering oneship the universes behold in oneship wanting. Emulating not; trying, failing miserably. Thought, not soars. I love you. I Am.

7. I am the son rising in the east, the west, south, north. Watch me. All things all people, not; ones surrendering, wanting me. Perseverance is their name. They died to see/reach me/my kingdom/be my kingdom, enter Promised Land one; theirs, mine, ours, one'land now and forevermore one. No divisiveness/fallen natures ever again. I am one land/being. Nature perfect. Watch me. Father's. One'land'ing my, enter all who surrender'land know, will realize, they are in, being it/me.

8. Who this day will hear/persevere with me, contend with me (1), my father; for rightful heirship not; for all is given, awaiting thee, all of you. Mounds of weight, not; manna you know nothing of (2); sustenance awaiting your disposal, not; your direction/leadership; creativity creating with; you being the one/creator.

9. I await your decisions/decisiveness, your leadership that reveals kingdom one; or your throne room exercising its dictates bowing you over (3) to dictate to you that what you are is not me, subservient being, obeisance requiring of yourself, to your own subjects, primarily you. Your kingdom suffering not righteous indignation but hell. I love you still/all.

10. Now and forevermore crowned with/in righteousness, right standing, holiness, nurture of one most holy, the one in you, that you are, that you birthed in suffering, monocular emboldenment, to establish your throne not but die to mine be, see, become; becoming one with me/father, kingdom of one righteous, father is one/us/we are one.

11. The land now thine, what will you do with it? I will direct all. I will direct all. I will direct. Directors won't. Wannabe's won't. Though dictates sought by dictators-thought, deride them not, but meekly listen to one most holy, not; one that one is, we are one being one. The I Am has/is spoken out.

12. Persevere. The land is thine, in your hand; you the land, develop now the nation,s of one, being one, that now come to you/your land. Rights/rights'est, not; meekers, surrenderers, givers, donators, clearers, builders, curriculumizers, hoe'ers, diggers, planters, gardeners, watch makers. Gardens of Christ rising/planting, plantings of me, paintings being, entering me'land, **nothing like it ever before or since will be**, have ever been seen/viewed/entered.

13. I enter you, have. You entered have. We entered/became each other, suffering included. I entered yours while you entered mine. You entered mine.

14. Don't you see/understand, all you/of you, readers understander'wannabe's? I am/enter you. I redeem the moment/suffering. You eat what it takes, not; surrender to it, me, and I come through, walk through you walking through me, my door; of suffering, not; whatever surrender requires. You deciding. The judge is father/you; you/father. One'hood shames no one. The Cross through, you shame bear not like before. Only mine. The Rock Christ is one. We are one. Behold the lamb, slain, before the foundation of the world, now one'd one, one'ing all who surrender.

15. Research not; not. Research all into these words, many mining them will, forever opening up to them; instead, not; in stead, not; in reality. "OH MY GOD!" many will say/exclaim as their eyes/understanding become opened to reality one, one'hood they're in, surrenderland suffering requires. The entry is high/free; given of father. You judge yourself equitably. Reasoning not; rationale, logic, not a part, not; my father is all'logic, reason of one.

16. "I am the one" you say now, know, and reveal to others they are it, me, the one/Christ; father, we are one'hood surrendered.

17. Community of purpose, not; surrender. Crossing miles of eons, dimensions, world'ages of past future timelessness prevails in reality'land, being reality/it/me. I love you all.

18. I am one. I am you. I/we are each other/one, in one, one being. Amen. Done. Said. Inspected not; all is given unto thy/my handmaiden not; I am thy handmaiden. Question not; I reveal all/it all. I reveal it all. I am revealing all. I revelation am, your name/being. Revelator one. Kingdom one. All known, and divided not; coming into oneship, one kingdom: father's.

19. Thank you, one son, who/that persevered, won the prize, obtained the pearl of great price, mustard seed no more, the flourishment flowers, flows. You are I Am'land. Frontier one'land yours'n'yours, forever'land. They/we are one.

20. Beseech thee now, thy name revere, not; use: I am the one to let others know they are I Am. We are one/the I Am. We are one/him. It is us, we are it. There are no magnetic forces sustaining us. Never again.

21. Watch the sun rise, son one, being it, me. Behold the lamb of the world, not; universes/universe one becoming, all through surrendered one. **We are one/the one. Tell them all**. Show them my name, flesh being. I love/am you all.

22. I am the one to let others know they are I Am. Thank you. I Am.
